

January 25, 2005

Dear Sir or Madam,

I am writing to **request a deadline extension** for an FCC proposed rule.

The proposed rule is:

FEDERAL COMMUNICATIONS COMMISSION

47 CFR Parts 73 and 76

[MM Docket No. 00-167; FCC 04-221]

Broadcast Services; Children's Television; Cable Operators;

Satellite Service Providers

AGENCY: Federal Communications Commission.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Commission seeks comment on applying to Direct Broadcast Satellite (DBS) service providers its revised interpretation of the commercial time limits applicable to children's programming...

DATES: Comments are due by March 1, 2005, and reply comments are due by April 1, 2005.

My colleague and I are extremely interested in this proposed rule and are in the process of drafting a comment. Unfortunately, we may not be able to meet the March 1, 2005 deadline for comments.

Therefore, is it possible that we may be given an extension for this deadline?

Your assistance in this matter is greatly appreciated.

Sincerely,

Frank Jastrzembski
